

Google maps and some sat nav systems have an error. If you put in our postcode, they will not direct you to our clinic but to here.

To locate the clinic by car, head to Shelford Railway Station. With your back to the station, Mill Court is the second on your left. Go down this road and follow it round to the left and when you come to a T-Junction, turn right and then park in the spaces marked Cambridge Clear Beauty at Breaks House.
